## NO CASCARET USER EVER HAS HEADACHE

A 10c Box Will Keep Your Liver, Stomach and Bowels Clean, Pure and Fresh for Months.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver, delayed fermenting food in the bowels or sour, gassy stomach. Poisonous matter clings in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Salts, cathartic pills, oil and purgative waters force a passageway for a day or two—yes—but they don't take the poisons out and have no effect upon the liver or stomach.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist, means inside cleanliness and a clear head for months. Ask any of the millions of Cascaret users if they ever have headache.

## WORTH MOUNTAIN OF GOLD

is the value Mrs. Charles Barclay, of Grantville, Vt., places upon Lydia E. Pinkham's Vegetable Compound, so grateful was she for her restoration to health.

She says, "I was passing through the change of life and suffered from its effects with nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound proved worth mountains of gold to me, as it restored my health and strength, and for the sake of other suffering women I am willing to make my trouble public."

Women who are passing through this trying period should rely upon Lydia E. Pinkham's Vegetable Compound.

## CLIMATE HURTS WEAK LUNGS

In this climate there are always numbers of people whose lungs are weak and who either have a chronic cough or else catch cold easily and are very likely to take pneumonia.

A New York girl, Miss Louise Jesel, has written a letter on this subject, saying "In the past year I have been troubled with weak lungs and palpitation of the heart. Having heard that Vinol was a great strengthening I began taking it and it has done me a world of good."

"I have no cough now, my heart is all right and I have gained greatly in strength and energy."

Naturally, as soon as her strength had been built up to the right point by Vinol, all symptoms of her former trouble vanished.

This delicious cod liver and iron remedy, without oil, not only creates strength and enriches the blood but always agrees with the stomach.

Get a bottle of Vinol today and begin receiving its curative power. We guarantee it to please. Stone & Mercer, druggists, Clarksburg, W. Va.
